The founder of Mid-South Chess is Dr. Jake Kleiman, an International Master (IM). No stranger to elite-level chess. IM Kleiman has tied for 17th place at the World Open, 5th place in the North American Open, as well as winning The Millionaire Open Satellite Tournament. He has won innumerable awards and ranks amongst the world's best. Outside of chess, IM Kleiman is an accomplished dental surgeon who holds a very big place in his heart for animal rescue.

For the past 22 years, Mid-South Chess has served our region with coaching to players of all ages and levels in addition to camps, tournaments, seminars, and simultaneous chess exhibitions. Our instructors are hand-picked college students and recent graduates who undergo rigorous screening. They must exhibit excellent chess acumen with a passion for sharing knowledge, experience teaching children, and high moral character.
